I have been following Jonathan for several months and have read several of his books. This is without a doubt the best one so far. Starting off with the first chapter "A Simple Plan" - Moving on to the chapter on "Becoming an Author" to finally the episode titled "Pull the Trigger" like all the chapter these are chock-full of actionable easy to follow ways to launch your book. If you want to become a published author and have the best chance of success, I strongly urge you to buy this book. As I said, I am on the threshold of launching my first book. This book has given me many of elements I can act to assure my success. I plan to follow up and modify my review as soon as I can provide a full report of the details of my success! This is a must read.Good Luck To You All0 of 0 people found the following review helpful. Great informationBy A Voracious ReaderWHAT IT'S ABOUTDo you want to write a book without the stress of wondering if anyone will read it? Do you want to grow your business and authority without wasting time? Have you already tried other methods and everything you tried just didn't seem to work? Are you ready to add that bestseller logo to your social media profile?MY TAKEI love that this book doesn't just give out generic, nonspecific information. Green takes you through the process from initial research up through the launch, and he refers you to a lot of inexpensive and accessible resources.0 of 0 people found the following review helpful. A Great Resource...By Deborah SOne of the best books I have read on writing and publishing your own books. Well written, detailed and to the point. I look forward to implementing many of his ideas and methods with my next book. I see this as a wonderful resource book for building a lucrative book writing and sales business. Very glad I found Jonathan. His website, also, provides a lot of additional useful information. If you plan on writing books for an income stream, this book is well worth your time - it will not disappoint.

Do you want to write a book without the stress of wondering if anyone will read it? Do you want to grow your business and authority without wasting time? Have you already tried other methods and everything you tried just didn't

seem to work? Are you ready to add that bestseller logo to your social media profile? Do you want a guide that takes you through the entire book launch process step-by-step, from preparation to celebration? Answers all your questions and breaks through all the myths and misconceptions out there? Prepares you for every accident, mishap, and eventuality? Teaches you how to launch a successful book without depending on an army of friends, followers, or a massive mailing list? After years working as one of the most prolific ghostwriters and authors in the world, Jonathan is finally ready to reveal his secret method for launching books on Amazon. Get the exact secrets that his coaching clients pay thousands of dollars for. This system works for every single niche and category - from romance novels to children's books, from parenting to cookbooks. Whether you have never written a book before or are about to launch your 100th novel, you are sure to find value in *Breaking Orbit*.
